Human Resource Manager
Deriv

Dear **Sir/Madam,**

I'm pleased to be applying for the position of Front-end Tech Lead at Deriv, with **7 years** of experience in the related field. My training and experience in the field of software development and web design along with my ability to **React JS, Javascript, HTML, CSS, and C#, MSSQL server, MongoDB**, makes me the perfect candidate for the job.

It's true that I'm not perfect but I know how to make things perfect. I'm a quick learner and a hard worker. I think I would be a valuable addition to the team at Deriv.

In my present company, I have been working in a **remote** environment for **3+ years**. In the meantime, we are using **Jira** to track our tasks and **Clockify** to track our time based on tasks.

Please find attached my resume and feel free to contact me on WhatsApp. Let me know if I have missed anything.

Sincerely,

Abdullah al Mubin
